### **REASONS FOR ALLOWANCE**

1. Claims 1 - 14 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest, in combination with the claimed elements, a safety switch with a pair of contact-holding elements that oscillate about the axis between a positive and an active position and wherein each of the contact-holding elements disposed in a tilting manner around an end of first and second laminar support, wherein each of the position imposed by a corresponding position of an activation key. A central terminal is in permanent contact with one of the contact-holding elements, first and second terminals each alternately separated or in electrical contact with the corresponding contact-holding elements, wherein the contact-holding elements are mutually electrically connected through conductive elements that are moveable with respect to one another by relative displacement of mating surfaces in mutual contact.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marina Fishman whose telephone number is 571-272-1991. The examiner can normally be reached on 7-5 M-T.
